

# Technology Feedback

**Mission:** (choose up to 2 options)

I believe Video Technology WILL enhance our worship experience

I believe Video Technology COULD benefit to our worship experience

I'm Neutral, I don't know, I'm uncertain.

I believe it COULD be a distraction to our worship experience

I believe it WILL be a distraction to our worship experience

**Are the potential benefits worth the risks?**

Yes    No    Uncertain    (circle one)

**Purpose:**

The reason I support incorporating Video Technology in Worship:

Assist Visual Learners, multi-sensory approach

Multi-media (video from events, pictures to emphasize sermon)

Easier to see

To Encourage Congregational Singing

Other

The reason I have reservations about Video Technology in Worship:

Esthetics or placement of equipment

Presentation Issues (computer or technician)

Not reverent worship

Other

(Over)

# Technology Feedback (continued)

## Outreach:

I believe Video Technology will help us reach out and share the Gospel to neighbors, friends and young people.

Yes    No    Uncertain    (circle one)

## Support:

I would contribute financially to a video projection system in the Sanctuary.

Yes    No    Uncertain    (circle one)
